Procuring an age-related Registration Number

Is the machine and all its major components (*apart from the engine*) original?

If the answer is “NO” consider reverting to reconstructed classics procedure.

Is the machine complete and able to pass the MOT? If so.

Applicant to submit GRA application form with photographs of each side of the bike, a photo of the frame number and a rubbing of the frame number, all on photographic quality paper. Plus, the relevant fee.

Authentication Officer to arrange GRA inspection.

Once inspection is carried out GRA form will be completed.

Examiner to submit report form and photos to A O.

Dating certificate sent to applicant.

Applicant to obtain V55/5 (*application for registration*) and guidance note V355/5 from DVLA

(see <http://www.gov.uk/vehicle-registration/new> registrations)

Applicant submits to DVLA.

Completed V55/5

GRA dating certificate.

MOT certificate (*if post 1960 and until May 2018 only*)

Insurance certificate.

V55/5- specified proofs of name and address
